

## **INSTRUCTIONS ORAL PRESENTATIONS UNIT 6: ECO-GUILT**

English as a Second Language, Level 4 (ESLDO)  
Mr. Victor Gajardo

### **Instructions:**

You are going to present one of the topics below.

1. What can we do to reduce pollution?
2. Are you a risk taker?
3. How is the weather in your country/city?
4. Extreme weather: natural disasters in your country/Canada.
5. What will the Earth look like in 30/40/50 years?
6. How is the weather in Toronto/Vancouver/Montreal?
7. I'm a Speedaholic: suggestions to stop speeding.
8. How has climate change affected Canada/your country?
9. How is the weather in Mississauga? (Weather forecast)
10. How eco-guilt are you?
11. Climate change: before and after 2019.
12. What are the riskiest things to do in Canada/your country?
13. Dangerous drivers: risks of speeding.
14. How will we be living in 20/30/40/50 years?
15. Can we make our carbon footprint smaller?

### **Your presentation must:**

- Include visual support (power point, canva, etc.)
  - One slide as cover (school logo, title, name of the course, name of the student, name of the teacher)
  - Slides with content
  - Closing slide with references or bibliography
- Be 5 minutes long (at least)
- Use vocabulary and grammar from the unit:
  - Vocabulary: the environment, the weather, and/or expressions with take.
  - Grammar: future perfect and continuous, zero and first conditionals, and/or future time clauses.
- Be a presentation! Don't write long text on the visual support. Don't read your slides!

**Complete the presentation in class. When you are ready, upload the file / share the link of your presentation on Moodle.**
