

Think about how your test will be marked!

The Multiple-choice portion of your test is marked by a computer but the written portion of your test will be marked by a person. The marker will use the rubric below to score your answers. "Code 30" is the best score. When you create your written answer, think about what you should put into your writing to score at the "Code 30" level.

OSSLT Generic Rubric for Open-response Reading Items

Code	Descriptor
Blank	<ul style="list-style-type: none">blank: nothing written or drawn in the lined space provided
Illegible/Off-topic	<ul style="list-style-type: none">response is illegible, off-topic, irrelevant or incorrect
Code 10	<ul style="list-style-type: none">response indicates minimal reading comprehensionresponse provides minimal or irrelevant ideas and information from the reading selection
Code 20	<ul style="list-style-type: none">response indicates some reading comprehensionresponse provides vague ideas and information from the reading selection; it may include irrelevant ideas and information from the reading selection
