

Homework: Create Your Own Visual Narrative/Poster

For homework, you will be creating a poster or visual narrative of your choosing! Take a look at the example your teacher has given you to help create your own.

Your poster/visual narrative needs to have the following information:

1. Classroom Expectations

- a. For this part you will create 2-3 classroom expectations. You will describe behaviors that make the classroom a good place to live and learn for all students

2. Learning Expectations

- a. For this part you will create 2-3 learning expectations. You will describe expectations to promote, recognize and reward academic and personal growth.

3. About Me Section

- a. For this part you will tell me 2-3 interesting things about yourself!

Be creative! Provide any pictures or visuals that you think will help make your poster/visual narrative fun and presentable!
