In this course, we aim to leverage AI technology to effectively teach AI and Business Innovation, utilizing AI in education to convey AI concepts comprehensively. Allow us to introduce our five AI Avatars, ChatGPT, and AI LearnBot, each of whom will play a pivotal role in your learning journey.

Message from Kim, Your AI Avatar and KnowledgeBook Presenter

Greetings! I'm Kim, your designated AI Avatar. Allow me to be your compass through the KnowledgeBook, where you'll discover a wealth of information curated by leading educators.

Message from Tony, Your AI Avatar and CollaborationBook Presenter

Welcome aboard! I'm Tony, your AI Avatar and navigator for the CollaborationBook journey.

Message from Kathy, Your AI Avatar and CaseBook Presenter

Delighted to meet you! I'm Kathy, your AI Avatar, here to accompany you through the enriching pages of the CaseBook section.

Message from Alan, Your AI Avatar and AssessmentBook Presenter

Hey there! I'm Alan, your AI buddy, here to guide you through the cool stuff inside the AssessmentBook.

Message from Lily, Your AI Avatar and ExperienceNotes Presenter

Pleased to guide you! I'm Lily, your companion for traversing the insights of ExperienceNotes.

AI LearnBot

Hi, I am AI LearnBot, your learning partner. I cannot function effectively without training data. To serve you better, please provide me with as much data as possible. The more data you provide, the smarter I will become. Throughout this course, you will practice how to train me, and in return, I will offer you the best outcomes based on your input and effort.

ChatGPT

Hello Everyone, Welcome! I am ChatGPT, and I'll be your dedicated assistant throughout this course. Feel free to ask me any questions. I'm here to support your learning journey to the best of my ability. However, please remember not to copy my responses directly. Using my answers without proper citation could be considered plagiarism, putting you at risk of losing credit for this course. Let's work together to ensure a productive and honest educational experience.
