

Reading strategies

Visualize

I picture what I'm reading.

Focus

I think about the main ideas.

Question

I think up questions about the text.

Make connections

I try to relate to the information.

Infer

I assume some things, based on clues.

Make predictions

I use what I know to guess ahead.

Consider the purpose

I think about why I'm reading.

Synthesize

I draw conclusions about the reading.

Think like an author

I consider the author's intent.

Activate my own knowledge

I think about what I know on this topic.

Clarify

I reread or pause until I understand.
