

## TPJ20 Unit Plan

<b>Unit 5 – Healthcare Application (21 Hours)</b>		
<b>Unit Description:</b> Students will look at real world applications of the healthcare knowledge they've learned, such as healthcare trends, the environment, healthcare careers, and health and safety laws.		
<b>Overall Expectations:</b> C1: Demonstrate an understanding of environmental issues related to health care and personal well-being.  C2: Describe social trends and health care issues relating to children and adolescents.  D1: Identify and apply health and safety legislation and safe working practices relating to the healthcare industry.  D2: Identify and describe career opportunities in health care and the postsecondary education and training required for entry into these occupations.		
<b>Lessons</b> (each lesson is 180 minutes/3 hours)
