

Writing Assignment Instructions

For this assignment, you will write a **multi-paragraph information text** about *The History of Tea*.

You already have notes from your research. Now it is time to use your notes, add more details and explanations, and write your information text.

Your text must include information about:

- What is tea?
- Where was it first discovered?
- How was it consumed in the past?
- How and where is it grown today?
- Different types of tea
- How people around the world drink tea
- Tea ceremonies
- Any other fun or interesting facts about tea

Important Reminders

- Do **not** give your personal opinion. Your writing should be **neutral and factual**.
- Use **in-text citations** for any sources you use.
- Each **paragraph** should focus on **one idea only**.
- Add a **sub-heading** for each section/paragraph.
- Use **transition words** (for example: first, also, however, in addition, finally) to connect your ideas.

Format

- Length: About ½ page (typed, size 12 font)
- Include at least **2 pictures**
- Add a **title**
- Write your **name at the top** of your paper
