

# ESL First Day of School

At Beautiful Lake School, the new year will start soon! Let's read about 3 students and their plans for the new year.

## Marie, 9

I am very excited to my first day of school! I will wear a pretty pink dress and yellow shoes. I love my English teacher, Mrs Andrews. She's very nice and funny, and helps me study.

At recess, we like to play board games. I always bring some fruit for my friends – apples and strawberries.

We eat together and then play some games! It will be so much fun!

## Sasha, 11

I can't wait to join the school soccer team. For the whole summer, I played outside, ran and kicked a ball. I'm really fast now! The only sport I don't want to try is swimming. It's too cold and wet for me. I think running is much better than swimming!

## Ahmad, 14

This year, I want to sing in the choir. Our music teacher, Mr West, thinks I'm really good! Maybe I could even be in a school play, or sing a song at the school talent show. I'm no good at dancing though! I always step on people's feet.

**Disclaimers:** This resource has been made for the purpose of teaching English language learners. We know that students can be learning English in many different places, in many different ways and at age, so we try to keep these resources as general as possible.

There are many acronyms associated with English language teaching. These include (but are not limited to) ELT, TEFL, EFL, ELL, EAL and ESOL. While the term ESL may not fully represent the linguistic backgrounds of all students, it is the most widely recognised term for English language teaching globally. Therefore, we use the term 'ESL' in the names of our resources to make them easy to find but they are suitable for any student learning to speak English.
