

HHS4U Families in Canada

How do we learn about families?

Lesson Goal

- In this lesson I will learn:
- what research means
- how to ask questions
- where information comes from
- -how to check good information

Starter Question

- How do you learn new things?
- Google, YouTube, teacher, books, family

What is Research?

- Research = finding information to answer a question

Where does information come from?

- Internet
- Books
- News
- People (interviews)
- Surveys
- Statistics

Good vs Bad Information

- Good: trusted, facts, updated
- Bad: fake, opinion only, no source

Good Research Questions

- Good:
- Why do families change?
- How does culture affect families?

Activity

- Draw a mind map:
